

SunGard is one of the world's leading software and technology services companies. SunGard has more than 17,000 employees and serves approximately 25,000 customers in more than 70 countries. SunGard provides software and processing solutions for financial services, education and the public sector. SunGard also provides disaster recovery services, managed IT services, information availability consulting services and business continuity management software. With annual revenue of over \$4 billion, SunGard is the largest privately held software and services company and was ranked 480 on the Fortune 500 in 2012.

If you are motivated, hardworking and would like to join us in a dynamic team of developers, quality assurance experts, and business analysts than look into following opportunity in SunGard:

Paid Internship in SunGard

Location: Belgrade, Serbia

We are looking for **recent graduates** or **students in their final year of study** to work and gain practical knowledge during part time internship. This internship will be paid and candidates are expected to work 20 hours per week. Candidates will get an opportunity for a full time employment (based on their completion of studies and internship performance). We are looking for 20 interns who will join our team as:

- **Technical Analyst Intern**
- **Java Developer Intern**
- **.NET Intern**
- **C, C++ Intern**
- **Quality Assurance Intern**
- **Business Analyst Intern**

Each intern will get hands on experience and a mentor who will work with him/her in order to teach and develop their skills on daily basis.

Prerequisite qualifications for candidates:

- Must be university graduates or in their final year of studies with 2 or less exams left before graduation at the following faculties
 - Faculty of Mathematics
 - Faculty of Electrical Engineering
 - Faculty of Economics
 - Faculty of Organizational Sciences
- Candidates should have ability to work both in a team environment and alone;
- Good communications skills are expected
- Written and spoken English is required
